## **Journey with depression: Experiences accessing treatment and services**

Led by the Ontario Drug Policy Research Network (ODPRN)  
Citizens' Panel

---

Individuals with depression and their caregivers are invited to share their experiences, express their opinions, and raise questions about access to treatment and services for depression.

Also open to anyone interested in listening and learning from those with lived experience.

---

**Tuesday May 2, 2023**

12:00 - 1:30pm EDT

---

**Share your experiences!**

*Options to share live, pre-record or submit written responses*

---

**Register to participate**

[odprn.ca/town-halls](https://odprn.ca/town-halls)
